## CATALAN SOCIETY FOR CHILD AND ADOLESCENT PSYCHIATRY

Scientific Society composed of 150 child and adolescent psychiatrists plus other interested physicians. Its members combine the research, diagnose and treatment of psychiatric disorders with their teaching activity in Catalonia.

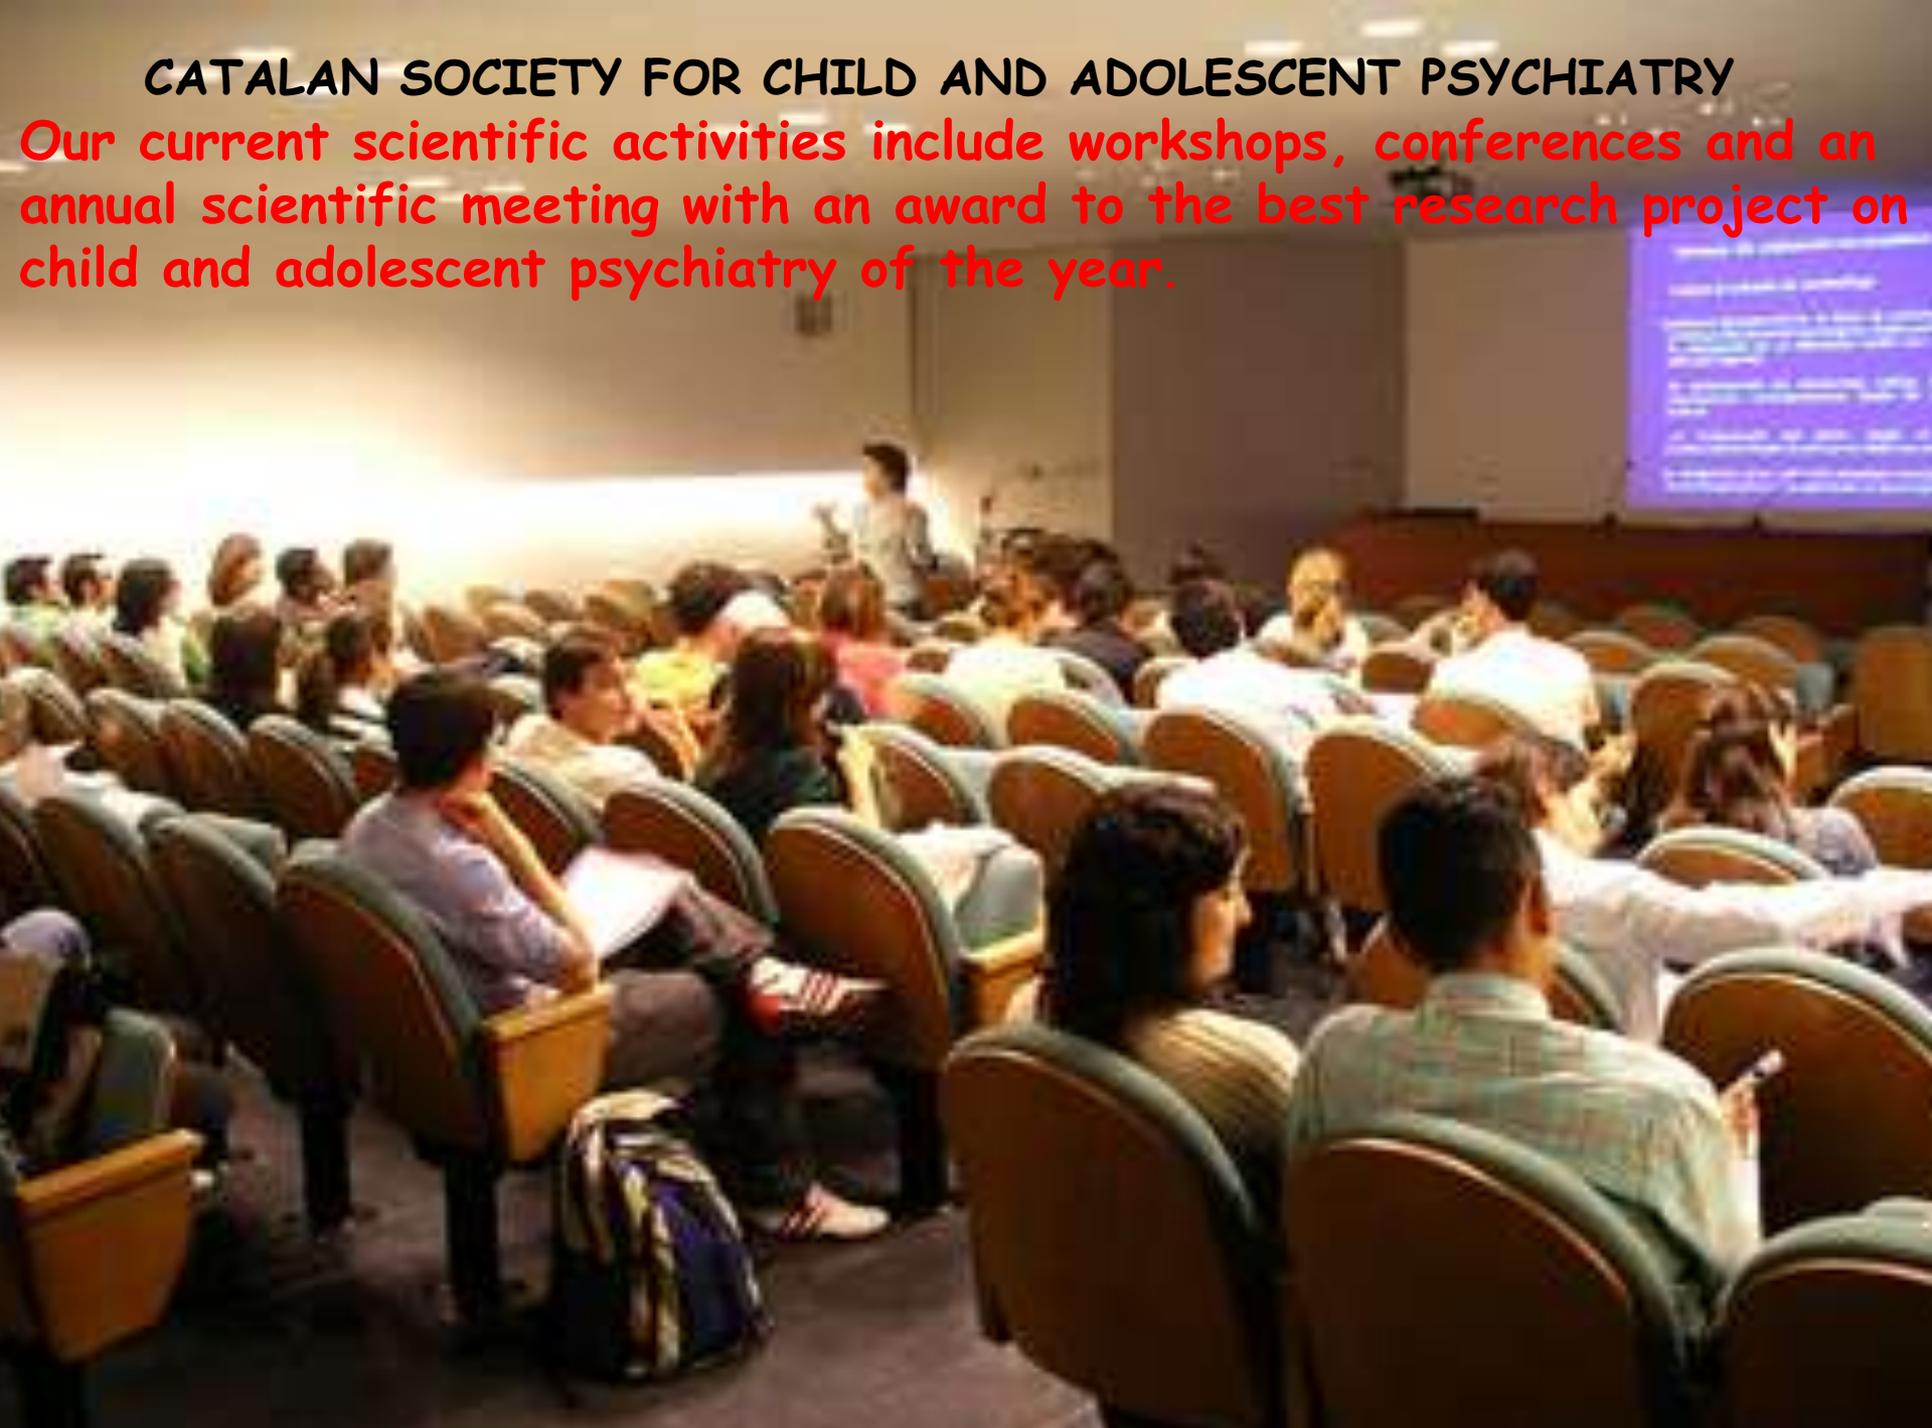

# CATALAN SOCIETY FOR CHILD AND ADOLESCENT PSYCHIATRY

Among the members of our society there are professionals working at the main universities, private and public hospitals of Catalonia.

## CATALAN SOCIETY FOR CHILD AND ADOLESCENT PSYCHIATRY

Our current scientific activities include workshops, conferences and an annual scientific meeting with an award to the best research project on child and adolescent psychiatry of the year.

Many professors of foreign universities have attended our scientific meetings.

Prof. Ernesto Caffo, President of the ESCAP and of this current International Congress.

Prof. Russell A. Barkley, great expert in ADHD, visiting professor for Adana F.

**Prof. Theo Doreleijers. Amsterdam University. President of the EFCAP.**

Prof. Andres Martin, Yale University School of Medicine, New Haven, Connecticut.

Professor Andres Martin came to talk about the pediatric bipolar disorder, topic of the current Symposium.
